

How To Measure

- Measurements are in inches
- Measure your athlete's chest at the point just under the arm. Double that number to get your players chest width (measurement 1)
- Measure your athlete's length from the collar bone to just below the belt line (measurement 3)
- Use the chart below to help find the closest match, consider sizing up to ensure you have enough space to grow.
- To find the best size, we recommend measuring your players favorite fitting shirt and compare our measurements to that.
